Fax Machine vs. Fax007 e-Fax Service Annual Expenditure Comparison (HK\$)

(Comparison base on one fax machine versus subscribe Fax007 eFax Service for twenty users.)

| Description | Current Annual Cost before use Fax007 | Future Annual Cost after use Fax007 | Annual Savings after use Fax007 |
|---|---------------------------------------|-------------------------------------|---------------------------------|
| Fax machines annual maintenance - each fax machine charge maintenance fee of \$500/unit | \$500.00 | \$0.00 | \$500.00 |
| Telephone line rental fee - fax line rental fee @\$137.8 per line x 12 months | \$1,653.60 | \$0.00 | \$1,653.60 |
| Fax Toner & Paper consume for fax machines - each fax machine consume around 3 bottles fax toner yearly - each toner @HK\$980/unit & can print approx. 1,000 to 2,000 hardcopies. | \$2,940.00 | \$0.00 | \$2,940.00 |
| Add Laser Printer Toner consume after use Fax007 - in future, after deploy Fax007 service would use approx. 1 bottle toner additional because fax machine inbound & outbound duty would shift to Fax007. - Current user need to print out hardcopy to use fax machine to fax but when shift to Fax007 would become almost paperless that approx. 1 bottle toner would be enough. - fax machine toner is in high cost vs HP toner @\$700 and can print approx. 5,000 to 10,000 hardcopy | \$0.00 | \$700.00 | -\$700.00 |
| Other invisible saving (administration cost) - in future, user can receive & send fax in their e-mail zero admin cost of incoming fax distribution to right person. A complete recycle paperless working environment that almost no need to print incoming & outgoing faxes. - If your company have total of 10,000 pages fax transmission yearly, time consume in admin cost for manual fax required walking to and waiting at fax machine cost around \$1 per page versus Fax007 faxing from user e-mail cost only per \$0.1 page. | \$10,000.00 | \$1,000.00 | \$9,000.00 |
| Long distance cost (may apply) - if your company have branch or colleagues always trip overseas then they will not need to pay any long distance fee if <u>fax to Hong Kong using their Email account.</u> - assume will fax 1000 pages to Hong Kong annually then will save @HK\$0.5 per page | \$500.00 | \$0.00 | \$500.00 |
| If rental total 20 Fax007 user accounts (HK\$38 x 12mths x 20) | \$0.00 | \$9,120.00 | -\$9,120.00 |
| | | Annual Savings HK\$ | HK\$4,773.60 |
